Hey ...went to the movie *The Blind Side*. Wow what a movie and great caring conversation.

Before the movie Hey dropped off and unloaded a suburban load of food at the Cumberland food shelf.

Tubing was changed and Lights and Limo was put in it's place. 17 of us loaded the Hummer Limo at Church and headed out to look at the Christmas lights , stopped for hot cocoa and prayed in the limo.

Other Family Opportunities:

Talking at home about God is important !

Take home the "Taking Faith home sheet from the bulletin . It has great ideas for sharing your faith with your sons or daughters. We all want our kids to have a faith that is strong and vibrant , but so often we do not know what to say or do to make that happen. At Augustana we want to help you and your youth develop that special faith life that will be vibrant all their life.

Remember the 4 Keys .

These will help you achieve that vibrant ever lasting faith.

- Devotions in your home and everyday life
 - Service to others
- Personal trusted Relationships
