Be a part of the next cool project at Augustana! The Worship Committee is proceeding with the installation of a Video Projection System in the Great Hall. This would be used for power point presentations (worship and otherwise) and movies, slides, etc. The cost is around \$8000.00 and we have about half of that so far in Memorial Funds and other monies. If you are interested in contributing to this project, please contact Pastor Karen or John Westin.

The 2010 Mission Team is in Bozeman ,Montana. After a week of hard work, they are back packing in the Spanish peaks. They built for a single man who was living in a trailer that was un-heat- able. He spent more than \$2,000 to heat it during the winter months and still had frozen pipes. He works two to three jobs - depending upon the season; he has maintained his credit rating and is well known in the small community of Gardiner. He is friendly and as one speaks to him you begin to notice that it takes a minute or two for him to grasp what you may be talking about. He recognizes these limitations and works had to understand and to be understood.

His name is Joe Cox and has been a resident of Gardiner for some time. He was selected as a Partner for several reasons. We had strong community support for him, he had the property but unsustainable living conditions. Our Board had made a commitment to become active in this county so when this opportunity of strong community support came, as well as a needy individual, and available land we went through the selection process in hopes that Joe would qualify.

Please keep Joe and the Mission team in your prayers. They will return home on Tuesday August 3rd
