

What is Shooting Stars?

Shooting Stars' mission and vision is to enhance the community's awareness of emergency pediatric health care and to provide emergency care bags to families of children who are in an emergency situation. These bags will include items such as calling cards, bottled water, Kleenex, paper, pens and other often forgotten items needed in an emergency. More information can be found at www.cumberlandshootingstars.com.

Shooting Stars was formed by caring adults who have experienced, or in some way been affected by pediatric emergencies. Many of us have heard the medical helicopter fly over or the sound of an ambulance rushing by, but until one has experienced first hand the stress and shock of such a life-altering event, we continue on in our daily life unaffected. We know first hand what that family will face when they get to the "other side." For everyone the outcome is different – but the stress, the "I can't believe it," and the tears – we all share.
